

Books

1. **Black Heart (2018) - read**

The first book introduces Detective Dan Riley as he investigates the brutal murder of a woman found dead in a luxury hotel suite. As the investigation unfolds, dark secrets emerge, leading to a web of lies, obsession, and revenge. A thrilling police procedural with psychological elements.

2. **The Couple on Cedar Close (2019) - read**

This novel centers around a seemingly perfect couple, until the wife is found dead and the husband becomes the prime suspect. Detective Riley must dig deeper into their lives to uncover shocking truths that no one saw coming.

3. **The Stranger's Wife (2020) - read**

In this book, two women from vastly different lives find themselves linked by a series of tragic events. Riley works to solve a complex case involving abuse, betrayal, and a violent crime, with plenty of twists and turns along the way.

4. **The Woman Inside (2021) - read**

After surviving a near-fatal attack, Daisey Garrett wakes up in the hospital with no memory of what happened. With the help of Detective Riley, she attempts to piece together the events of that night, while her troubled personal life adds further complications.

5. **The Night of the Party (2022)**

This novel explores the secrets of an elite social circle after a shocking murder at a glamorous party. As Detective Riley investigates, he uncovers hidden grudges and a complex tapestry of deceit.

6. **The Lie in Our Marriage (2023) - now**

The sixth book focuses on a couple celebrating their 25th wedding anniversary, but beneath the surface, their relationship is falling apart. A series of dark secrets and lies unravel, leading to a gripping conclusion as Detective Riley is called to solve yet another mystery.

7. **The Housewife's Secret (2024) - read**
